💡 Personalized Retention Recommendations

Evidence-based strategies to convert this customer into a loyal Champion

OVERALL STRATEGY

Brand ambassador candidate. Activate referral program, early product access, and VIP events to maintain engagement.

TRUST BUILDING

High anxiety detected. Emphasize money-back guarantees, social proof (reviews), and easy-access support. Reduce perceived purchase risk.

STATUS & IDENTITY

Low self-esteem detected. Connect the brand to personal identity and values. VIP status tiers and exclusive member perks are particularly effective.

GAP ANALYSIS

'Optimism Score' is 2.1 pts below the Champions average. Messaging that compensates for this deficit will outperform generic campaigns.
